BIOLINE JATÒ® SYSTEM

The Bioline Method, the art of the treatment

Discover the Bioline Jatò treatments, sensorial paths based on the synergies among natural elements, advanced cosmetic research and specific manoeuvres, developed along forty years of experience and encoded in the exclusive Bioline Jatò ® System method.

Relying on the hands of the Bioline Jatò Beauty Experts means to rediscover the harmony with oneself thanks to the highly customizable treatments created for any type of need. Every path is a beauty ritual where mind and body are rebalanced for a deep and long-lasting wellbeing.

Face

Essential Massages

FBE Face Beauty Experience Relaxing Draining Firming Touch

Embracing manoeuvres loosen tension and encourage relaxation, activate the skin microcirculation and stimulate lymph secretion, providing muscles with renewed oxygen and improved tone. Precious synergies of essences evoke positive emotions and eradicate stress. A sensory experience that seduces body and soul, enhancing aesthetic treatments.

Welcome touch Welcome Ritual

An embracing and relaxing massage for the hands, arms and back induces a sensation of tranquil wellbeing. It is the ideal welcoming ritual before any facial treatment.

Caresse Comfort and Wellbeing

Relaxing movements combined with delicate, gentle pressures induce a sensation of comfort and great wellbeing to the face skin.

Eye and Lip To enhance the details of the face

Delicate gestures giving brightness to the eye contour and relaxation to the lip area. Ultra-targeted massage providing instant relief, visibly diminishing puffiness, and dark circles under the eyes, while working on specific expression wrinkles.

Advanced Massages

Prestige **To counteract wrinkles**

Precise sequences of decontracting, oxygenating and stimulating movements are performed on each single wrinkle to provide instant visible results, which reduce the appearance of the signs of aging.

Lift up **For a lifting effect**

A meticulous massage, which performs the targeted action of mimicking facial muscles, resulting in reshaping of the face and neck contours with a visibly instant, long-lasting lifting effect.

Skin roll **An energy infusion**

An exclusive revitalizing massage that stimulates skin tissue deep down to provide a strong relaxing, draining and detoxifying action, which increases the skin permeability and the absorption of the active ingredients.

Essential Treatments

24.7 Naturalbalance Beauty supplement

A unique full immersion of vitamins, mineral salts and oxygenating elements sourced from fruits, plants and flowers. A blend of red berries, cherry, cress, hawthorn and elderflower preserves skin youthfulness, rebalancing essential elements.

Vita+ Nourishment with wellbeing

A revitalizing treatment that deeply nourishes dry, dull and devitalized skin. It boosts the lipid content, restoring compactness and elasticity through biotech collagen and precious vegetable oils. A break for intense wellness that exalts the skin youthfulness.

WITH FBE AND CARESSE MASSAGE **50-60 MIN**

Specific Treatments

De-sense Instant Relief Instant relief for hypersensitive and reactive skin

An ultra-delicate, soothing and protective treatment, which provides instant relief to reactive skin. Innovative biomimetic peptides improve the skin tolerability to external aggression. Betaglucan, vegetal oils and liquorice extract restore the hydro-lipidic film integrity, providing fresh brightness and radiance to the face.

WITH FBE - DRAINING TOUCH **50-60 MIN**

Details of Beauty Enhances the most precious facial details

Precise manoeuvres soften expression lines of the eye and lip contour, while restoring brightness to the eye area and adding volume to the lips. An elixir of precious active ingredients, such as caviar, retinol and plant stem cells reduces the appearance of puffiness, eye bags and dark circles.

WITH EYE AND LIP MASSAGE **35-40 MIN**

Superior Treatments

Primaluce Exforadiance Awakens the brightness of the skin

An exclusive synergy of fruit acids exfoliates and renews the skin intensely, providing extraordinary brightness and an even complexion, visibly clearer and younger. Innovative peelings with different concentrations offer a targeted beauty action to prematurely aged, thickened, impure skin and skin with dark spots.

WITH FBE AND CARESSE MASSAGE **50-60 MIN**

De-ox C evolution Strengthens the vitality and compactness of the skin

A revitalizing treatment, which combines the most advanced forms of Vitamin C with innovative functional substances such as Maslinic Acid and Ectoin, to return immediate splendour to the face. The treatment offers a global protection against damages caused by external aggression and acts as a beauty shield, preserving skin compactness and restoring the natural glow of the skin.

Body

Wellbeing Massages

BBE - Body Beauty Experience Relaxing - Draining - Firming Touch

An unforgettable sequence of relaxing and enveloping manoeuvres, which loosens tension and breathes relaxation into the muscles. Light draining movements remove excess liquids and impurities, re-balancing tissue functionality. Detoxified skin is then ready to fully benefit from the following treatments.

Jatowell For the wellbeing of the senses

An amazing relaxing experience performed with different massage techniques accompanied by music, colours and fragrances. This massage improves wellbeing for intense relaxation of body and mind.

Functional Massages

DTM - Deep Tissue Mobilization **Shock action on blemishes caused by cellulite** **and water retention**

An innovative technique with cross-fiber and draining movements. It stimulates blood microcirculation and lymphatic drainage, promoting a reduction in liquid accumulation, while encouraging the elimination of waste and toxins. An ideal supporting massage for treatments targeting the blemishes of cellulite and water retention.

DDM - Deep Draining Massage **Shock action on blemishes caused by adiposity** **and water retention**

Deep and enveloping movements, which drain muscles and adipose tissues in order to remove waste and toxins, loosen tension, improving compactness and flexibility. This massage acts locally on lower limbs, arms and back.

Shaping **To reshape and tone**

Enveloping and relaxing stroke-movements promote a draining and toning action on tissues with a unique modeling effect on the silhouette.

Exfoliating Treatments

Exfo Marine For a silky and purified skin

A scrub made of pure salt crystals from the dead sea, papaya extract and centella asiatica that are used to promote the elimination of dead cells and improve the skin evenness, reducing the orange peel look.

WITH BBE **30-35 MIN**
WITH DDM OR DTM MASSAGE **60 MIN**

Glyco Peel For a smooth and bright skin

Precious treatment renewing peeling providing vitality to the skin. Thanks to the exfoliating and illuminating properties of the fruit acids it smooths the skin, stimulating its renewal and compactness. It provides an extraordinary softness and brightness.
